REUNION

NEXT WEEK

Ford County Fair During Same Dates

HOCH, FOLK AND ADAMS

Great Attraction for Thursday
—Large Crowds Expected Each Day.

The Southwest Veterans reunion and the Ford County Fair and driving association meeting will be held at Wright park in this city next week. Large crowds are expected from all directions. A large number of counties are represented in the reunion association and some superior attractions are offered this year. Over most of the territory good crops have been raised, and people can afford to take a vacation.

Inquiries are coming in daily for tents and privileges for the reunion. Horsemen are sending in entries for the races. Every day will be a big day, but Thursday, Governor's day will be the biggest day of the week, the day when Folk, Hoch and Adams will be present.

The Rock Island will run two trains a day from Bucklin, so that people from Ford, Bucklin and from points up and down the main line from Bucklin can get good train service to and from the big meeting.

The Santa Fe will make stops at the small stations with numbers 6, 5, 1, and 2, so that towns along that line will also have good service to Dodge and return.

The attendance from all over Ford county will be better this year as well as from outside counties. This is evident by the large number of requests for tents from over the country. It should be remembered that the tents furnished by the state can not be reserved after the beginning of the reunion. The first on the grounds will get the choice of tents, so that it will be an advantage to come early.

If you want to have a pleasant outing arrange for a tent and camp in the park during the week. It will beat a trip to Colorado.

THURSDAY'S PROGRAM

Hoch in the Morning, Folk After Dinner, and Adams at Night.

The program for Governor's day at the reunion has been outlined but may be subject to change.

At present it is the intention to start the parade at 9:45 in the morning. Governor Hoch is to speak at 10:30. Gov. Folk of Missouri will speak at 1:00 o'clock.

Ex-Governor Adams of Colorado will speak at 8 o'clock in the evening.

After Folk's address in the afternoon there will be a big racing program at the fair grounds.

All lodges and organizations should arrange to take part in the parade, and everybody that is not in the parade should be driving in the citizens part of the procession.

If all will take a personal interest in the matter the parade can be made a big feature.

CHOKED IT OFF.

Paper at Alden Don't Like the Piano Contest Business.

The recent experience at Alden, Rice county, furnishes some information on the piano contest as it is being worked by traveling promoters.

A promoter talked the editor of the Alden Star into the notion of helping to work a piano contest in that county. After the contest had started the people began to find out that it was only a disguised species of lottery scheme, and that the promoter who furnished the piano was to get 50 per cent of the proceeds. The people of Alden evidently believed that their newspaper man was shielding an outsider who was making a sucker of him and themselves. They went to the newspaper man and asked him to shut the thing off, which he readily did. The piano contest company then brought suit against the Alden Star for breach of contract. The case was heard before a Justice at Sterling last week and was dismissed.

Christian Brothers of Larned will have a string of runners here, among them "Gey Nettie," and "Sister Mae" and "The Nurse," the latter two being recently purchased of Stubbs Brothers here. The Stubbs string are all at home now, and there will be ten or twelve local running horses here. The running races this year promise to be very fine. In the harness class some good races are promised.

To The Public.

In disposing of our Grocery and Meat Market we wish to extend our thanks to the public for the liberal patronage the store has received. Our dealings with our customers have been so pleasant and it has been so manifest that our efforts to please the trade has been appreciated that we naturally step out of the business with much regret. Our successor Mr. J. L. Meairs wanted the store and paid the price we put on it, so while not looking for a deal of that kind we sold the business.

SUGHRUE BROS.

Notice.

All persons desiring privileges in the park during the reunion will apply to the secretary as to choice of locations. First come first served. All privileges must be paid for when location is selected. No reservations whatever.
